PEEL HERE for use, storage & disposal list.

Do Not enter or allow worker entry into treated areas during the restricted entry interval (REI) of 24 hours.

During the REI for Dip'N Grow re-entry into the mist area is permitted, without PPE, to adjust equipment, move flats, etc., without limitation as long as no contact occurs with the treated area of the plants. If no REI is in place for other products, WPS does not require PPE or restrict entry into the misting area while Dip'N Grow is in use.

IMPORTANT-Directions for Storage and Disposal

Do not contaminate water, food or feed by storage or disposal.

PESTICIDE DISPOSAL

- Waste resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

CONTAINER DISPOSAL

- If empty: Do not reuse this container. Place in trash or offer for recycling if available.
- If partly filled: Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

STORAGE CONDITIONS

- Store in original container in a cool, dry place, out of the reach of children, preferably a locked storage cabinet. Protect from freezing.

IMPORTANT: It is best to use all of the product in accordance with label directions. If it is necessary to dispose of unused product, please follow any applicable state or local guidelines.

READ AND FOLLOW INSTRUCTIONS FOR USE AND PRECAUTIONARY STATEMENTS

Mix only for immediate use. For best results once diluted, Dip'N Grow should be used within 10 hours.

DIRECTIONS FOR USE:

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

Do not apply this product in a way that will contact workers or other persons, either directly or through drift. Only protected handlers may be in the area during application. For any requirements specific to your State or Tribe, consult the agency responsible for pesticide regulation.

For use on ornamentals only.

Mix only for immediate use.

HARDWOOD CUTTINGS:

Mix 1 part DIP'N GROW to 5 parts water.

MEDIUM HARDWOOD CUTTINGS:

Mix 1 part DIP'N GROW to 10 parts water.

SOFT WOOD CUTTINGS & SUCCULENTS:

Mix 1 part DIP'N GROW to 20 parts water.

Dip basal end of cuttings only, individually or in bunches, for 3 to 5 seconds. Following dipping, immediately place cuttings into planting media.

LIMITED WARRANTY AND DISCLAIMER: Buyer shall be solely responsible for any and all injury, loss or damage which results from the use of this product in any manner which is inconsistent with the label directions, warnings or cautions.

PRECAUTIONARY STATEMENTS HAZARDS TO HUMANS (AND DOMESTIC ANIMALS)

PRECAUTIONARY STATEMENTS-CAUTION: Harmful if inhaled. Avoid breathing vapor. Remove contaminated clothing and wash before reuse. Causes moderate eye injury. Avoid contact with eyes. Wash thoroughly with soap and water after handling.

PERSONAL PROTECTIVE EQUIPMENT (PPE): Some materials that are chemical resistant to this product are listed below. If you want more options, follow the instructions for category "C" on a EPA chemical resistance category selection chart.

Applicators and other handlers must wear: long-sleeved shirt and long pants, chemical-resistant gloves, such as barrier laminate, butyl rubber, nitrile rubber, neoprene rubber, polyvinyl chloride or viton, and shoes plus socks.

Follow manufacturer's instructions for cleaning/maintaining PPE. If no such instructions for washables, use detergent and hot water. Keep and wash PPE separately from other laundry.

ENVIRONMENTAL HAZARDS: Do not apply directly to water, to areas where surface water is present or to intertidal areas below the mean high water mark. Do not contaminate water when disposing of equipment washwaters.

AGRICULTURAL USE REQUIREMENTS

Use this product only in accordance with its labeling and with the Worker Protection Standard, 40 CFR part 170. This Standard contains requirements for the protection of agricultural workers on farms, forests, nurseries, and greenhouses, and handlers of agricultural pesticides. It contains requirements for training, decontamination, notification, and emergency assistance. It also contains specific instructions and exceptions pertaining to the statements on this label about personal protective equipment (PPE), and restricted-entry interval. The requirements in this box only apply to uses of this product that are covered by the Worker Protection Standard.
