Use Instructions

- No alcohol, ammonia, or propylene glycol
- Color-safe and surface-safe

Use for: General light-duty cleaning and odor elimination on any porous or non-porous surface that will tolerate water. Delivers a streak-free shine on glass, mirrors, and stainless steel.

Directions: Spray surface and wipe or squeegee to remove soils. For best results, use a micro-fiber cloth or lint-free paper towel to remove soil and excess solution. If soil persists, then spray and let sit a few minutes before wiping clean. No rinsing necessary. No need to polish-will dry streak free.

HANDLING PRECAUTIONS:

Keep out of reach of children.

Do not drink. If significant ingestion occurs, drink large quantity of water and consult physician. Do not induce vomiting.

Avoid eye contact. If direct eye contact occurs, flush eye with clean water for 15 minutes. If irritation persists, consult a physician.

Contains: Water, hydrogen peroxide, readily biodegradable non-ionic and anionic surfactants and plant based solvent.

Do not reuse container. Please recycle. This bottle is made from 25% post-consumer recycled plastic.

PRECAUCIONES DE MANEJO:

Mantenga fuera del alcance de los niños.

No lo beba. Si ocurre una ingestión significativa, beba grandes cantidades de agua y consulte a su médico. No induzca al vomito.

Evite el contacto con los ojos. Si ocurre algún contacto en los ojos, lávelos con agua limpia durante 15 minutos. Si la irritación persiste, consulte a su médico.

Contiene: agua, agua oxigenada, surfactantes biodegradables no-iónicos y aniónicos, solvente.

No reutilice contenedor. Recicle por favor. Esta botella está hecha de 25% de plástico reciclado de post-consumo.
