

HUGE SAVINGS ARE POSSIBLE WITH MODINE'S EFFINITY⁹³ GAS-FIRED UNIT HEATER. IN ADDITION TO DRAMATICALLY LOWERED ENERGY COSTS, SOME EFFINITY⁹³ PURCHASERS ARE ELIGIBLE FOR INSTANT SAVINGS THROUGH UTILITY REBATE PROGRAMS.

Find your state below to see the current gas-fired unit heater rebate programs available in your area. If you do not see your state listed, it does not have a prescribed gas-fired unit heater rebate program at this time. However, many states' utility companies offer "custom" rebate programs on HVAC equipment not specifically listed in their rebate program guidelines. Please check with the utility company closest to you to determine if the 93% efficient Effinity⁹³ from Modine is eligible for a custom rebate.
