

Palram/Hobby Grower Limited 5-year warranty

This product carries a 5-year warranty against defects in material and workmanship when properly assembled using only manufacturer's original equipment parts in accordance with manufacturer's assembly instructions. Warranty does not cover damage resulting from:

- Excessive loads placed on the packed product and/or parts;
- Use of force, incorrect handling, or inappropriate use, neglectful use or assembly or maintenance, commercial use or use other than for personal or household purposes;
- Cleaning by detergents incompatible with polycarbonate panels;
- Alteration, painting, connecting, gluing, sealing or assembly not in accordance with the manufacturer's instructions;
- Heavy or sharp articles that were leaned against the walls;
- Storm, wind, flood, fire or extreme weather conditions.

If this product fails during normal use, simply call or write the Palram Greenhouse Service Center. A copy of an original sales invoice may be required by fax or mail. If needed, the customer will allow the manufacturer or its representative to access and/or examine the greenhouse and its parts at the original service location.

The warranty commences from date of purchase and is not transferable, and a dated proof of purchase must be presented on request. Please keep this product warranty and your proof of purchase in a safe place; they will be needed if a claim is made. In case a problem should occur, please address your claim to the customer service department by phone. A photograph or sample of the defective part(s) may be required to expedite the resolution process. After a claim has been settled the guarantee will continue to run to its original expiry date (the original date of purchase).

Palram will repair or replace the product at our discretion.
